*Gateway 4, 4A and 4B figures only reflect the sums for Part 1 of a project, and not the total project management fees which are only finalised at the approval of the Gateway 7.

**The Gateway 4A provides initial nett DIT fees to allow DIT to proceed with the tendering of professional service contracts. More detailed fees, project costs and disbursements are provided by DIT in the Gateway 4B.

The disbursement figures are only used when actual costs are incurred.
