Please note, the document also contains FOI applications prior to the commencement of the Department for Child Protection in November 2016, which are relevant to the former Families SA.

In addition the 'Summary' column within the document is not verbatim of the original scope of the FOI application. It is only a summary and may have been amended, clarified or narrowed during the processing of the FOI application.

No costs have been levied for processing of your application as they are within the threshold prescribed by the Fees and Charges Regulations allowed for Members of Parliament.
