

Leadership Coaching

Program outline

Welcome to the Leadership Coaching program

Using a coaching approach to development, the Leadership Coaching program will equip you with the skills and mindset to create a culture of collaboration, innovation, and continuous improvement.

Facilitated by Growth Coaching International and underpinned by evidence-based research, this program will increase your confidence to lead others effectively. The program offers practical strategies for building a positive school culture, while increasing staff engagement, accountability and performance.

Understanding how to hold impactful coaching conversations will equip you with tools to support your team achieve their development goals, while nurturing your own growth as a leader.

The program is delivered face-to-face over 2 consecutive days.
